10. Travellers should complete the Malaysia Digital Arrival Card (MDAC) through the official Malaysian Immigration system before arrival.

Important Notes

- Important Notes Before Applying for a Malaysia Tourist Visa
- For Indian passport holders: Malaysia currently allows visa-free entry for up to 30 days for tourism until 31 December 2026. Therefore, eligible Indian tourists generally do not need to apply for a separate tourist visa during this period.
-  Important Points
- Check visa eligibility first — Visa requirements depend on nationality. Always verify the latest Malaysian Immigration rules before applying.
- Passport validity — Ensure your passport has sufficient validity, preferably at least 6 months from the intended date of entry.
- Genuine travel purpose — Your itinerary should clearly show that the visit is for tourism and that you intend to return after the trip.
- Return flight ticket — Keep a confirmed return/onward ticket available.
- Hotel booking — Carry confirmed accommodation details covering your entire stay.
- Financial proof — Maintain adequate funds and supporting bank statements to demonstrate that you can comfortably finance your trip.
- Employment/business proof — Salaried applicants should keep employment and leave documents. Business owners should keep relevant business registration and financial documents.
- MDAC is important — Foreign visitors generally need to complete the Malaysia Digital Arrival Card (MDAC) before arrival, subject to the listed exemptions.
- Don't submit inconsistent documents — Passport details, travel dates, hotel booking, flight booking, itinerary and financial documents should all match.
- Visa approval does not automatically guarantee entry — Malaysian immigration authorities make the final decision at the point of entry.
- Avoid unnecessary bookings before checking requirements — First confirm whether your nationality actually requires a visa. For Indian citizens, the current visa-free arrangement means a normal short tourist trip does not require an eVisa.
- Use only the official eVisa portal if a visa is required for the traveller's nationality. Malaysia's official MyVISA portal is available through Malaysian Immigration.
-  Recommended Travel File
- Passport + Return Ticket + Hotel Booking + Travel Itinerary + Bank Statement + ITR/Income Proof + Employment/Business Proof + MDAC Confirmation
- Consultancy note: For an Indian applicant travelling to Malaysia for a short holiday in 2026, it is more accurate to describe the service as “Malaysia Tourist Visit – Visa-Free Entry” rather than “Malaysia Tourist Visa,” provided the traveler meets the current exemption conditions.
